POSITANO

Positano is light, ironic and carefree. This collection proposes a coloured ceramic wood. The opaque and soft white background features pastel grain with 4 colours, yellow, green, pink, blue and 2 neutral shades of black and white. Offered in 3 sizes 6 x 48 and 3 x 48 to give greater impetus to the grain and 3 x 24 cut against the grain, a typical rustic wood cut and interpreted with pale colours.
