Confetti

In fashion, everything is a question of reinventing itself. Vintage has never stopped being loved and now it's Terrazzo's time. Terrazzo had its big boom in the 70s, but we must go back to the mid-15th century to find its origins. It was in Venice where "terraceus", better known as "Venetian terrace", emerged as a constructive resource to give great flexibility to floors.

COLORS

WHITE

BONE

GREY

FINISHES: POLISHED - MATTE

DATA

Thickness	9 MM - 11 MM
Color Variation	V2
